|| ENCHANTED ||
A secret place for me and you
Where everyday was fun and new
A simple time played in our heads
We'll tell this story again
Refreshing, isn't it?
Let's breathe the air, try not to cry
It's time to say our goodbyes

Good gravy, I misread this title and freaked out so quickly!!! LOL

@Firework and Ishmael - I'm that one really old computer your grandma has before you forcibly give her a tablet and make her throw that old heap away. Like, you know, back when the Mac logo was still ~~gay~~ a rainbow.

My friend: We're trying to make ourselves cry for the scene.
